

ATTACHMENT B-23

SUPPLIER PRODUCT ASSURANCE REQUIREMENT

This Attachment defines additional requirements imposed on a supplier/subcontractor for fabrication and delivery of Printed Wiring Boards (s) (PWB).

It is a requirement as part of this Purchase Order that finished Printed Wiring Board(s) shall meet the requirements and configuration shown on BEI Precision Systems and Space Company supplied PWB drawings and Artwork drawings. The PWB and Artwork drawing shall take precedence over any and all other BEI supplied fabrication information or tools to include photo plots, files on computer floppy disks, etc.
