Subject: Buyer responsibilities for compliance to United States import/export regulations governing product sold by BEI Precision Systems & Space Company, Inc.

Dear Valued Customer:

BEI Precision Systems & Space Company, Inc. (BEI PSSC) cares greatly about the safety and security of the United States and is committed to the responsibilities associated with the export/import of hardware, technical data, defense services and/or technology. We are dedicated to working proactively with our customers and suppliers to improve global supply chain security while insuring that its business partners take the same care and responsibility with regard to the United States Government laws and regulations.

These relevant laws and regulations include, but are not limited to the Export Administration Act (EAA) and the Export Administration Regulations (EAR) as administered by the Bureau of Industry and Security (Department of Commerce), the Arms Export Control Act (AECA) and the International Traffic in Arms Regulations (ITAR) as administered by the Department of State. Also included are the International Emergency Economic Powers Act (IEEPA) and the various sanctions and embargo regulations administered by the Treasury Department's Office of Foreign Asset Controls (OFAC) and the laws and regulations administered by the Justice Department's Bureau of Alcohol, Tobacco, Firearms and Explosives (BATFE).

The purpose of this letter is to advise **[CUSTOMER NAME]** that it shall not use, transfer, re-export, resell or otherwise dispose of any items purchased from BEI PSSC to any destination, end-user or for any end-use prohibited by the laws of the United States and will obtain any required export licenses, agreements, authorizations or other approvals that may be required for an export/import.

If you have any questions, please call our Trade Compliance Department at 501-851-4000. Together we will build a safer, more efficient worldwide trade environment.

Best regards,

Trade Compliance Department
